

Annual Report 2020-2021

Letter from the Principal

Dear NDV Families and Friends,

I hope this letter finds you well. 2020-2021 was a remarkable year at NDV. For the first time in our history, we started the school year in the midst of a global pandemic with distance learning, as required by the San Francisco Department of Public Health. In October 2020, with great effort and redirection of resources, we were finally able to welcome our students back to campus. I am very proud to say that, thanks to the efforts of our staff, we were one of the first schools in San Francisco to open for in-person learning.

Throughout the year we remained focused on the needs of our students and families. NDV remained a model for distance, hybrid, and in-person learning. Our teachers worked tirelessly to provide an equitable learning experience for all students, whether at school or at home. Parents worked together to shuttle children to and from school and to support their children and the teachers throughout the transitional periods during the year. Our students persisted by keeping up with classwork and exploring new ways to stay in touch with teachers and friends outside of the school day.

The NDV community responded to our requests for financial assistance with generosity in ways we have never before experienced. We were fortunate to receive generous grant awards from the Robert Stewart Odell and Helen Pfeiffer Odell Fund in December 2020, Outrageous Foundation in September 2020 and May 2021, the Diane Wilsey Fund in December 2020, and the Louise M. Davies Foundation in February 2021. These grants were used to supplement tuition shortfalls and the unexpected operational expenses of maintaining a school during a pandemic. Together with the Les Amis Annual Campaign and the Giving Day donations, we were able to fund many important improvements and projects including:

- Installation of air conditioning/mechanical ventilation in five classrooms
- Purchase of personal protective equipment (PPE)
- Implementation of a master key system
- Acquisition of 180 new iPads for students
- Provision of 15 new computers for teachers
- Completion of major electrical upgrades
- Installation of new fire doors
- Upgrade the internet firewall
- Most importantly, we were able to fund scholarships for students in need and continuing education for our teachers

The challenges of the pandemic helped us to further realize the importance of being together as a community. We were able to end the school year with many joyful in-person events including: Graduations, Confirmations, First Communion, and CYO sports. I am so proud of NDV and so grateful to our community for the financial support and gifts of prayer.

We hope that you will continue to support us this year through the Les Amis de NDV campaign. The Annual Report will provide an overview of the 2021 financial summary. If you have any questions, comments, or ideas, I look forward to hearing from you.

God bless et bonne santé,

Mrs. Sarah Currier
Principal

Today's Learners,
Tomorrow's Leaders

The Growney Family

Four Generations of an **NDV** Legacy

Kevin Growney, dynamic Chair of the Les Amis de NDV annual campaign for the past two years, is an Alumni from the class of 1991. He and his wife, Regina, are the proud parents of twin boys Luke and Kellan, energetic third graders. Spanning an astonishing 90 years and four generations, the Growney family history all started with Lawrence, who enrolled in Kindergarten in 1931. We asked Kevin to share his thoughts on his experience at NDV and why he chose to send his boys to NDV.

What are your fondest memories of NDV?

I loved my time at NDV. The faculty, nuns, priests and coaches provided a great environment to learn and become a young man. This school afforded me so many opportunities for my personal growth. The academics and Catholic teachings are exceptional, but it's the extracurriculars that I always look back on with the best memories. Our basketball team dominated, even though I couldn't shoot or dribble. I also couldn't carry a tune, but I was in the choir. We would perform in Union Square and at fancy parties around Nob Hill. I toured Dianne Feinstein's office when she was Mayor and sat in Willie Brown's seat when he was Speaker of the House in Sacramento. I wasn't the star of the show, but we put on a great 8th grade play, *Oklahoma*. As I look back, I gained so much confidence from my time at NDV because the school got me to experience new things and put me into a position to succeed at whatever projects we took on.

What influenced you and Regina to choose NDV for your children's education?

Regina and I chose NDV for our boys because of the level of education and strong sense of community. The academic enrichment provided is unlike most parochial schools. There is such a strong influence of language, music, art, culture and faith that intertwines so nicely with important educational benchmarks. We were so impressed by the level of involvement of the students and their contributions to every day life at NDV. The

loving way the upper grades interact and look out for the younger students was something that stood out and is special. And, it starts right at the car line! It also goes without saying that we have the best parents and families.

Why do you continue to support NDV?

We support NDV because of its rich history. I value all of my childhood experiences at the school and have a deep connection to it. I cherish the opportunity that my boys have to attend NDV and walk those same halls as so many of my family members and long time friends. My family has so many lasting friendships from my days at NDV. I want, more than anything, to pay that forward and build a community that remains strong for the next generation of kids.
